

GETTING STARTED

Your school email address (all lowercase) serves as both your username and password.

Log in at zoou.centervention.com

Create student accounts by clicking the red "Add Student" button.

Student usernames are automatically generated and listed on your dashboard.

Default **student passwords** are the same as their usernames.

For example, username zoou.1 = password zoou.1

Visit the [Zoo U Resources](#) page to download login cards and other documents to help introduce students to Zoo U.

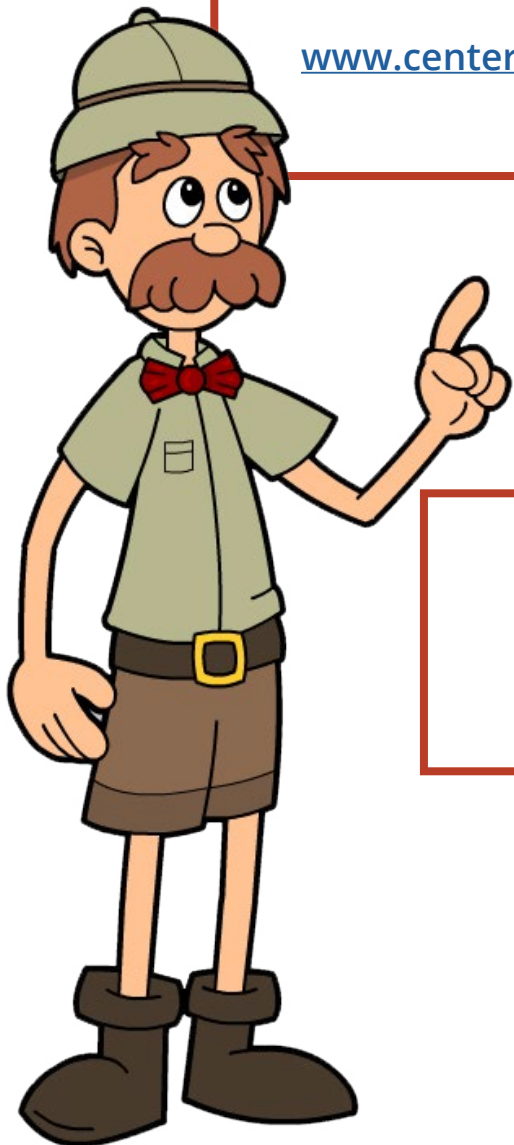

Students log in at zoou.centervention.com and start playing and learning!

GETTING STARTED

Free lessons and printables that can be used along with the game are available here:

Everything you need to track student progress is on your educator dashboard.

When students have completed the first six scenes, you can view and download an Assessment Report.

Skill Builder reports can be downloaded when students have completed all five scenes in a particular skill.
